

THE RITE OF PASSAGE FRAMEWORK

The Rite of Passage framework promotes well-being through

...: **The sharing of stories as a way of building communities**

...: **The recognition that every person has challenges and resilience is about learning to deal with these challenges in a positive way**

.... **The creation of a healthy vision for the future**

...: **The acknowledgement and support to bring out each individual's unique gifts, talents and genius**

Through this model we support:

Social & Emotional Learning

Development of Resilience & Mindset
